ANNUAL REPORT  
OF THE  
ELECTION DEPARTMENT  
FOR THE YEAR 1932

BOSTON, January 19, 1933.

HON. JAMES M. CURLEY,  
*Mayor of the City of Boston.*

SIR,—In compliance with section 24, chapter 3 of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

REGISTRATION.

Registration was held at the central office from July 1 to August 31, inclusive, and from September 21 to October 19, inclusive. No registration Sundays or holidays. Registration in wards was held on August 23, 24, 25, 26, 27, 29, 30 and 31, from 6 p. m. to 10 p. m. for the state primary; and October 5, 6, 7, 8, 10, 11, 13, 14, 15, 17, 18 and 19, from 6 p. m. to 10 p. m. for the state election. This registration was held in two places in different sections of each ward, ten nights in each place.

NUMBER OF VOTERS.

At the city election held November 3, 1931, the number of male and female voters on the list was 262,662. The number of such voters in the first list published by the Board August 1, 1932, was 237,191. From that time to the close of registration for the state election there were added the names of 67,473 voters.

The number of voters on the final list sent to the polls on the day of the state election, held November 8, 1932, was 304,664, an increase of 42,002 over the number on the list at the preceding city election.

#### NOMINATION PAPERS AND REFERENDUM PETITIONS.

The Board received 1,814 nomination papers for the state primary on which 32,396 names were certified, 310 independent nomination papers for the state election on which 6,783 names were certified; 100 referendum petitions on which 2,336 names were certified; and 212 petitions for recount of ballots cast on which 5,300 names were certified. This makes a total of 2,436 papers on which the names of 46,815 voters were certified.

#### REVISION OF THE VOTING LIST.

The names of 3,483 voters were stricken from the voting list by reason of death, removal from the city and other causes. There were no complaints of illegal registration.

#### JURORS.

In accordance with chapter 234 of the General Laws as amended by chapter 311 of the Acts of 1924, the Election Commissioners prepare a list of the inhabitants of Boston liable to serve as jurors. The Board has established a system of having each person provisionally selected for jury duty appear at this office to fill out a questionnaire, making oath to the statements contained therein before a member of the Board. This gives the Board an opportunity to meet each individual and note, if any, his physical defects or disability to render to the county the service that would be required of him as a juror. These personal examinations also enabled the Board to know the educational qualifications of each prospective juror. The members of the Board make an impartial selection from all parts of the city of men of various occupations, and are of the opinion that the persons finally selected represent an average of our citizenship.

The jury list prepared by the Board in 1932 contained the names of 10,562 voters of Boston. During the time covered by this report, 2,691 were drawn for jury service.

## ABSENT VOTING.

The Board received 1,699 requests for applications for absent voters' ballots. From this number 1,339 applications were received. From the number of applications properly filed, 1,260 were found to be voters qualified to receive a ballot, and ballots were mailed to said applicants. One thousand and sixty-seven ballots were received in this office in time to be distributed to the various precincts before the close of the polls. Five ballots were received and not cast, as the applicants voted in person. Twenty-two ballots were returned too late to cast, and 14 were returned by the Post Office officials as unclaimed.

## MEMBERSHIP OF THE BOARD.

The term of the Honorable Peter F. Tague expired March 31, 1932, and he was reappointed for the term of four years ending March 31, 1936.

Honorable Peter F. Tague was designated by the Mayor as Chairman of the Board of Election Commissioners, and Helen A. Macdonald, member of the Listing Board.

## EXPENSES OF THE ELECTION DEPARTMENT.

The expenses of the Election Department for the year ending December 31, 1932, amounted to \$290,493.47.

Respectfully,

PETER F. TAGUE,  
HELEN A. MACDONALD,  
CHARLES T. HARDING,  
DANIEL H. ROSE,

*Board of Election Commissioners.*

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty-minute daylight hours given to persons qualified to graduate from a public high school, he shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

Votes Cast for Question No. 2, Initiative Petition, State Election, 1932.

Shall the proposed law which provides for an additional method of nominating candidates for nomination, at the state primaries in September, by members of political parties, for those offices to be filled by all the voters of the Commonwealth at a state election.

It provides that the state conventions of the political parties, in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination, at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his name is to be placed the words "Endorsed by (the name of political party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September, as now.

It also provides for the election of delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain other new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state conventions, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

State conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the the first fifteen hundred votes cast at the preceding state election in such ward or town for the political party candidate for Governor, instead of a number now fixed by the state committee of each party (not less than one from each ward or town) and certain members designated by existing law.

The time, for notice to the State Secretary by aldermen or selectmen of their determination to hold primaries by wards, precincts or groups of precincts, to be March 1, instead of August 1, as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged individually by alphabet instead of in groups arranged by lot, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, rather

than solely by the remaining members of the delegation; and statement of filling of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by senatorial districts, and order of business at said conventions defined.

Voting on candidates, by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates unless any member of such group objects.

The number of members at large of a state committee of a political party to be fixed by the state convention of a party instead of by the state committee, as now.

The existing provisions as to preparation and filing of nomination papers, objections to nominations, preparation, number substance, arrangement and form of ballots, hours during which polls shall be open, opening of ballot boxes, canvass and return of votes, return and certification of votes, now applicable to state primaries to be applicable to the proposed party primaries.

The power of a state committee to fix the number of district delegates to a national convention to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of on or before the third Wednesday in March, as now.

The power of city and town committees to fix the number of members of ward and town committees to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of August 1, as now, which was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative and was disapproved in the House of Representatives by a vote of 62 in the affirmative and 138 in the negative, be approved?
